

Ministry of Music

Each Sunday morning, September through mid-May, the Senior Choir leads our worship services in the ministry of music. Choir music and congregational hymns are purposefully selected and carefully prepared to focus the attention of the worshipping community on the glory of God.

Approximately once each month the Children's Choir provides special music for the worship service, that serves to remind the congregation that ALL God's children have a part in worship! A worship team is also being formed. That group will sing one Sunday a month.

Senior Choir

Rehearsal: Thursday 7:15 p.m.
